P ACHIEVEMENTS

Rookie of the Year:

: Received Rookie of the year award in annual Esko Day. Each scrum team had 1 representative out of which the winner was decided based on the criteria like overall performance, leading the team and the impact of the work done on the product. Got appreciated for making improvements to the old framework and overall increasing the efficiency be 40%.

T Spot Award (2017):

Received Spot Award for setting up an example for the team through the effort and hard work shown leading to the completion of internal product (Spandana) in record time around 10 days earlier than expected.
